

**NORTH UNIT IRRIGATION DISTRICT
JEFFERSON COUNTY, OREGON**

RESOLUTION NO. 2007-03

A Resolution Regarding Equipment Rental Policy

Findings:

- A. On numerous past occasions, water users have requested equipment rental and have outstanding charges owing from previous projects. The North Unit Irrigation District (District) has allowed its patrons to have outstanding balances owing upon equipment rental charges until the patron orders irrigation water and then all payments must be made.
- B. Problems have arisen when the District allows more work to be performed by a patron before the previous work has been paid.

NOW THEREFORE, be it resolved by the Board of Directors as follows:

Section 1. Resolution.

The North Unit Irrigation District will not accept new equipment rental work until all previous charges for equipment rental work, labor and stock sales have been paid.

The District will continue to accept equipment rental projects for all patrons who do not have outstanding charges for equipment rental work.

Section 2. Effective Date.

**THIS RESOLUTION SHALL TAKE EFFECT IMMEDIATELY UPON
ADOPTION BY THE BOARD.**
